2. Attendance

A big well done to our children and families as this week, four classes reached our attendance target of 96% by being in school every day and on time. Keep up the fantastic effort. We're aiming even higher next week!

3. The start of the day

We have been made aware of some congestion at nursery drop-off, which has made it difficult for some families, especially those with buggies. From Monday, the bottom nursery gate will be opened earlier, so families can wait by the inner gate instead.

We hope this small change makes drop-off smoother for everyone. Thank you for your patience and understanding.

4. The end of the day

The safety of our children is always our top priority. Please remember that we will always hold children back if a different adult comes to collect them and they are not on the contact list. In these cases, staff may need to contact a parent or carer for verbal permission before we allow the child to leave.

We appreciate your support in helping us keep all children safe.

5. Nursery books

Nursery reading books will be changed every Monday. For the rest of the week, families are welcome to keep reading bags at home and enjoy sharing stories together. Just a few minutes of reading each day makes a big difference. It helps build a love of books, strengthens language, and creates a lovely time to share.
