Messages

We have made changes to our school system and will not be using houses. Please do not worry about PE tops, as the various house colours are still part of our uniform.

If your child is absent please can you contact the school office to inform school as dojo messages aren't always seen straight away.

Don't forget to put your child's name in their uniform. Thank you to those that have done this already.

Please can we remind parents that they should not be entering the school building in the morning and children in years 1-6 should be dropped at the gate. Please let us know if your child needs support with this.

Don't forget as a healthy school, children should be bringing fruit or a small sandwich for their snack. Thank you.
