Messages

If your child is absent please can you contact the school office to inform school as dojo messages aren't always seen straight away.

Please can we remind parents that they should not be entering the school building in the morning and children in years 1-6 should be dropped at the gate. Please let us know if your child needs support with this.

Please can older children keep off the equipment in the Early Years playground as it is intended for small children.

Don't forget that Forest School is this week.

Please check the dates on the next page as more have been added. If you need a printed copy please see the school office.
